

1. You can use your laptop, mobile phone or tablet. We will be using Zoom which works across all operating systems (PC, Mac, Linux, IOS and Android). Download from the following link:

2. Before the class starts make sure that you have a notebook and pen ready.
3. Check that your camera and microphone work before your class starts. You need to make sure that you allow Zoom to access your camera and microphone (audio).
4. Your teacher will send you an email with a link to access to your class. Click the link to join the class. Make sure that you check your SPAM/ Junk folder.
5. If you want to ask something, you can click on the button "raise your hand"
6. If you have any problems with Zoom, please email info@celticenglish.co.uk and a member of the team will get back to you.
