Why is this online programme for me?

- Engage in live and interactive classes with our native and experienced teachers
- Improve your understanding of the UK culture and the UN Sustainable Development Goals
- Learn how to express your ideas about important global topics like climate change
- Study from anywhere in the world

If you don't feel confident enough with your English level to participate in international change-making programmes, this is the place to start.

Innovative curriculum focused on global themes and intercultural skills.

TECHNICAL REQUIREMENTS

Laptop, or tablet, with webcam & audio capabilities, or a modern smartphone. A reliable and stable internet connection.

The classes will be online, via Zoom.

**Only 10 students per class.
Don't miss out your spot.
Register now.**

Bespoke programmes for closed groups.

We can personalise our programme to your needs.

- Choose your day(s), time and length of study.
- Choice of courses or themes: General English, Exam Preparation, etc.
- A closed group of 4 to 10 students of a similar level with a teacher.
- Interactive lessons with fully qualified, experienced, native speaker teachers.

Contact us at marketing@celticenglish.co.uk and we can provide you with a personalised proposal.
