

Live, learn and discover Wales – the UK’s best-kept secret!

Choose between our 2 outstanding locations– our capital city programme in Cardiff, South Wales, or our campus programme at Bangor University, situated between the sea and mountains in beautiful North Wales.

Our Junior Programmes offer excellent facilities with experienced teaching and support staff, ensuring that our young learners have a safe and enjoyable experience.

Why choose one of our summer programmes?

- ✓ Choice of a cosmopolitan capital city or historic university town in the countryside
- ✓ Develop cross-cultural skills and understanding
- ✓ Broaden young minds to thrive in the 21st century
- ✓ Improve independence, maturity and social skills
- ✓ Experience the British and Welsh culture
- ✓ Innovative curriculum focused on global themes and intercultural skills

**Bangor
North Wales**

**Cardiff
South Wales**

All our Junior programme teaching materials are based on the themes of the **UN Sustainable Development Goals**, making learning for young people relevant for our global world of today.
